The purpose of the Fill it Forward app is to promote the use of reusable cups, mugs, and bottles on campus. With the app, users can track their impact, give clean water to those in need and earn rewards.

**How to redeem rewards:**

Customers that would like to redeem rewards must follow these steps at checkout.

*These steps must be completed with cashier present.*

**STEP 1)** Using the app, customer redeems their reward at the register.

**STEP 2)** Customer shows cashier their phone screen to confirm that a reward has been redeemed.

**STEP 3)** Customers must tap Continue button in front of Cashier.

Together, we can make a big impact!
