Mission: To bring together a diverse, robust group of Electric Vehicle (EV) stakeholders to generate regional recommendations to support EV adoption.

The **REvolution: Electric Vehicle Growth and Readiness in North Texas Workshop** is an important regional opportunity to strengthen coordination between various EV sectors in North Texas on the planning for regional EV growth and readiness moving forward.

Speakers will include:

- City of Dallas
- Oncor Electric Delivery
- Texas Electric Transportation Resources Alliance (TxETRA)
- Chargepoint
- Plug-in America

The **REvolution: Electric Vehicle Growth and Readiness in North Texas Workshop** is hosted through collaboration between the Dallas-Fort Worth Clean Cities Coalition, City of Dallas, and the Texas Public Interest Research Group (TexPIRG).

Coffee & Lunch Will be Provided

IMPORTANT PARKING INFORMATION:

The red stars in the following map show the designated parking garages (park north and park south) and meeting building (university center). The University Center entrance is at the corner of S. West Street and W. 1st Street.

In order to get free parking, you must [validate your vehicle](#) BEFORE parking to get an e-permit for the day. This will give your vehicle access to park in the designated lots (Park North or Park South). Any vehicle parked on campus without an e-permit will receive a citation.

For visitors with a rental car: You can register your vehicle after parking on campus. Once parked, reference your rented vehicle's license plate number and then enter it into the link. If you have any comments or concerns, please contact us at parking@uta.edu or (817) 272 – 3907
